Come

APC Bible College and Ministry Training Center equips, trains and releases faithful and able men and women to impact villages, towns, cities and nations for Jesus Christ.

Our purpose is to train students to apply God's Word in the power of the Spirit for life and ministry. Our faculty and guest speakers bring a wealth of ministerial experience that make class room instruction insightful as well as very practical. Students are trained to depend on the anointing of the Holy Spirit and minister in the supernatural while remaining sound in the ministry of the Word of God. Our courses cover several areas of Christian ministry providing well-rounded and relevant equipping.

PRACTICAL MINISTRY

All students are required to be involved in field work and practical ministry during all semesters.

LIBRARY RESOURCES

All students will have access to APC's Resource Center which contains reference books and study guides, christian literature, audio recordings, videos, VCDs / DVDs and music CDs.
