CATALYST COORDINATOR

SUMMARY

Catalyst-APC's school outreach initiative focuses on impacting young lives in schools by teaching them about God the Father, God the Son, and God the Holy Spirit. The Catalyst Coordinator will lead and expand the program in Bangalore schools, guiding and training staff and volunteers to minister effectively. The goal is to empower students with godly values, emotional resilience, and a strong sense of self-worth, fostering a revival in schools and helping students thrive and positively impact their communities.

VISION

To empower the next generation with godly values, emotional resilience, and a strong sense of self-worth. This will enable them to overcome negative behavioral attitudes, promote strong emotional and mental health, thrive in an ever-changing world, and make a positive impact on their communities.
