AI/ML CONVERSATIONAL AI SPECIALIST - NLP, GENERATIVE AI (SEARCH & CONVERSATIONAL AI)

SUMMARY

IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are looking for a talented and passionate Conversational AI Specialist to join our dynamic AI Applications team and play a key role in shaping the future of AI-powered interactions for Christian church, ministry and missions. You will play a key role in building and deploying state-of-the-art AI/ML applications to further the purposes of God on the earth, exploring exciting advancements and crafting real-world solutions to serve people and strengthen their walk with God.

VISION

To develop AI/ML applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION

The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Collaborate with engineers, scientists, and product team leaders to design, develop, and implement conversational AI solutions, including chatbots, digital assistants, and search generative experiences.
 - Drive exploration of cutting-edge AI/ML advancements, particularly in Natural Language Processing, Generative AI, and Small Language Models, and assess their potential for application within our projects.
 - Develop and refine conversational flows, dialogue models, and training data to ensure natural, engaging, and efficient user interactions.
 - Continuously analyze and optimize conversational AI performance through data analysis, A/B testing, and user feedback.
-

-
- Stay abreast of the latest research and trends in conversational AI and NLP, and proactively identify opportunities for improvement and innovation.
 - Document technical specifications, best practices, and lessons learned for future projects.
 - Collaborate with cross-functional teams (design, engineering, product) to ensure seamless integration of conversational AI solutions into user workflows.
 - Present findings and insights to team members effectively, communicating the technical complexities of AI in a clear and concise manner.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS

- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Master's degree in Computer Science, Linguistics, Cognitive Science, or a related field.
- Strong understanding of Natural Language Processing (NLP) concepts and techniques, including text analysis, machine translation, and dialogue systems.
- Experience with Generative AI models and Small Language Models is highly desirable.
- Proven ability to develop and implement AI solutions, ideally in the context of conversational AI or chatbots.
- Excellent written and verbal communication skills, with the ability to effectively present technical information to both technical and non-technical audiences.
- Proven ability to work independently and as part of a cross-functional team.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
