DATA SCIENTIST - WEB & MOBILE APPLICATIONS

SUMMARY

IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are looking for a passionate and highly skilled Data Scientist to join our dynamic product development team developing next-generation web and mobile applications for Christian church, ministry, and missions to further the purposes of God on the earth, to serve people and strengthen their walk with God. You will play a crucial role in harnessing the power of data to drive insights, enhance user experience, and optimize our web and mobile applications built with Dart, Flutter, and Golang. You will have the opportunity to contribute to cutting-edge AI/ML projects with real-world impact and collaborate closely with engineers, product managers, and designers to bring data-driven solutions to life.

VISION

To develop cutting-edge web and mobile applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION

The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Analyze user data and provides insights to improve the app's functionality and user experience.
 - Design and implement data pipelines for ingesting, cleansing, and transforming data from various sources (web logs, mobile app analytics, internal databases, etc.).
 - Develop and apply machine learning models for diverse applications, including user segmentation, churn prediction, recommendation engines, anomaly detection, and sentiment analysis.
-

-
- Perform data analysis and visualization to generate actionable insights for product improvements, marketing campaigns, and business optimization.
 - Collaborate with engineers and product team leaders to integrate AI/ML solutions into web and mobile applications built with Dart, Flutter, and Golang.
 - Monitor and evaluate the performance of data pipelines and ML models, identifying opportunities for improvement and refinement.
 - Stay up-to-date with the latest advancements in data science and AI/ML, exploring new techniques and contributing to knowledge sharing within the team.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS

- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Master's degree in Data Science, Statistics, Computer Science, or a related field or equivalent work experience.
- 3+ years of experience as a Data Scientist or a related role.
- Proven expertise in Python and familiarity with libraries like Pandas, NumPy, Scikit-learn, TensorFlow, or PyTorch.
- Experience with cloud platforms (GCP, AWS, Azure) is a strong plus.
- Experience working with web and mobile application development technologies (Dart, Flutter, Golang) is desirable.
- Strong analytical and problem-solving skills, with a data-driven approach to business challenges.
- Excellent communication and collaboration skills.
- Passion for learning and staying ahead of the curve in the ever-evolving field of data science.
- Excellent written and verbal communication skills, with the ability to effectively present technical information to both technical and non-technical audiences.
- Proven ability to work independently and as part of a cross-functional team.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

ABOUT ALL PEOPLES CHURCH

All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
