FLUTTER DEVELOPER - WEB & MOBILE APPLICATIONS

SUMMARY
IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are looking for a talented and passionate Flutter Developer to join our dynamic product development team developing next-generation web and mobile applications for Christian church, ministry, and missions to further the purposes of God on the earth, to serve people and strengthen their walk with God. You will play a key role in building and deploying high-quality cross-platform web and mobile applications using the latest technologies, including Flutter, Dart, Golang, and Cloud Platforms. You will also have the opportunity to contribute to our growing AI/ML initiatives.

VISION
To develop cutting-edge web and mobile applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION
The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Design, develop, and maintain web and mobile applications using Flutter and Dart.
- Collaborate with designers, product managers, and backend engineers to translate requirements into high-performing and user-friendly applications.
- Implement feature-rich UI components and layouts while adhering to best practices and design principles.
- Integrate with various APIs and services, including AI/ML models, to enhance app functionality.
- Perform unit and integration testing to ensure code quality and stability.
- Deploy and monitor applications on Cloud Platforms (GCP, others).

- Contribute to and maintain a clean and organized codebase.
- Stay up-to-date with the latest advancements in Flutter, Dart, Golang, and relevant technologies.
- Explore and implement AI/ML solutions where appropriate to improve application performance and functionality.
- Participate in code reviews and provide constructive feedback to colleagues.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS
- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Bachelor's degree in Computer Science or a related field or equivalent work experience.
- 2+ years of experience developing cross-platform mobile or web applications.
- Strong proficiency in Flutter and Dart programming languages.
- Experience with Golang and Cloud Platforms (GCP, others) a plus.
- Familiarity with common design patterns and best practices.
- Expertise in UI/UX design, state management, performance optimization, and API integration.
- Experience with AI/ML concepts and basic application is a plus.
- Passion for learning and adapting to new technologies.
- Excellent communication and collaboration skills.
- Proven ability to work independently and as part of a cross-functional team.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

GENERAL INFORMATION

ABOUT ALL PEOPLES CHURCH
All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
