GAME DESIGNER

SUMMARY

Gamification is being increasingly used in education, simulation, community building, training, etc. creating learning and development experiences that are interactive, engaging, and immersive. The possibilities for using game development (creating video games) for Christian ministry are numerous. By employing thoughtful design, engaging narratives, and relevant themes, games can become powerful tools for enriching faith, discipleship, fostering community, and sharing the message of Christ in new and exciting ways. APC is assembling a talented team of game development professionals capable of creating truly great gaming experiences to use this tool to further the purposes of God on the earth.

APC is looking for a talented and passionate Game Designer to join our game development team and contribute to the development of cutting-edge games and immersive gaming experiences. The team will build compelling narratives and immersive worlds using Nuclino (or similar documentation, worldbuilding, and planning tools), work with Godot (or other game engine), Blender/Maya (or other modeling & animation tools), FMOD (or other sound effects & music software), and Daz Studio (or other character creation platforms).

VISION
To use games and gamification as a tool to enrich faith, disciple, build Christian community, and to reach people with the message of Christ in new and exciting ways.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION
The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Game Design: Collaborate with the creative team to conceptualize and design engaging gameplay mechanics, levels, and features. Utilize industry-standard game engines and frameworks such as Unity, Godot, or other relevant tools to implement and iterate on game systems.
- Modeling & Animation: Create and implement 3D models and animations using software like Blender, Maya, or other industry-standard tools. Ensure that character movements and interactions align with the overall game design vision.

- Sound Effects & Music: Design and integrate sound effects and music to enhance the overall gaming experience. Familiarity with audio tools such as FMOD, Adobe Audition, or equivalent software.
- Character Creation: Work on character creation and customization using tools like Daz Studio or other character creation software. Ensure that characters are visually compelling and align with the narrative and gameplay requirements.
- Documentation: Create and maintain detailed design documentation, including game mechanics, level design, and technical specifications. Communicate design concepts effectively to the development team through written and visual documentation.
- Worldbuilding: Contribute to the development of rich and immersive game worlds by creating lore, environments, and storytelling elements. Collaborate with artists, writers, and other team members to ensure consistency in the game world.
- Planning: Use project management tools such as Nuclino or other planning software to organize tasks, track progress, and meet project deadlines. Participate in brainstorming sessions and planning meetings to contribute ideas and insights to the overall game development process.
- Cross-functional Collaboration: Work closely with other team members to ensure a cohesive and compelling player experience.
- Virtual reality (VR) gaming and augmented reality (AR) gaming may be considered in the future.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS
- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Proven experience as a Game Designer with a strong portfolio showcasing successful game projects.

GENERAL INFORMATION

ABOUT ALL PEOPLES CHURCH

All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
