GAME DEVELOPER

SUMMARY

Gamification is being increasingly used in education, simulation, community building, training, etc. creating learning and development experiences that are interactive, engaging, and immersive. The possibilities for using game development (creating video games) for Christian ministry are numerous. By employing thoughtful design, engaging narratives, and relevant themes, games can become powerful tools for enriching faith, discipleship, fostering community, and sharing the message of Christ in new and exciting ways. APC is assembling a talented team of game development professionals capable of creating truly great gaming experiences to use this tool to further the purposes of God on the earth.

APC is looking for a talented and passionate Game Developer to join our game development team and contribute to creating cutting-edge games and immersive gaming experiences. As a Game Developer, you will play a crucial role in the creation and implementation of captivating and immersive gaming experiences. The ideal candidate will have expertise in using game engines, modeling and animation tools, sound design software, character creation tools, as well as a strong ability in documentation, worldbuilding, and planning. The game development team will build compelling narratives and immersive worlds using Nuclino (or similar documentation, worldbuilding, and planning tools), work with Godot (or other game engine), Blender/Maya (or other modeling & animation tools), FMOD (or other sound effects & music software), and Daz Studio (or other character creation platforms).

VISION

To use games and gamification as a tool to enrich faith, disciple, build Christian community, and to reach people with the message of Christ in new and exciting ways.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION

The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- **Game Development:** Utilize game engines such as Unity, Godot, or other relevant tools to create interactive and visually stunning game environments. Collaborate with cross-functional teams to implement game mechanics, features, and systems.
-

-
- **Modeling & Animation:** Develop high-quality 3D models and animations using tools like Blender, Maya, or other industry-standard software. Optimize assets for performance without compromising visual quality.
 - **Sound Effects & Music:** Create and implement engaging sound effects and music using software like FMOD, Adobe Audition, or other audio production tools. Ensure audio assets enhance the overall gaming experience and align with the creative vision.
 - **Character Creation:** Design and develop unique and compelling characters using tools like Daz Studio or other character creation software. Collaborate with the art and design teams to ensure characters fit seamlessly into the game world.
 - **Documentation:** Produce comprehensive documentation for code, design, and development processes. Maintain and update documentation to ensure clarity and accessibility for the development team.
 - **Worldbuilding:** Contribute to the creation and expansion of game worlds, including level design, storytelling, and environmental design. Collaborate with narrative and design teams to ensure a cohesive and immersive player experience.
 - **Planning:** Utilize planning tools such as Nuclino or other project management software to organize tasks, set milestones, and track progress. Work closely with the project lead to ensure alignment with project timelines and goals.
 - **Cross-functional Collaboration:** Work closely with game designers, artists, programmers, and other team members to ensure a cohesive and compelling player experience.
 - **Virtual reality (VR) gaming and augmented reality (AR) gaming** may be considered in the future.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS

- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Bachelor's degree in Game Development, Computer Science, or a related field or relevant work experience.
- Proven experience in game development with a strong portfolio showcasing completed projects.
- Proficiency in at least one major game engine (Unity, Godot, etc.) and relevant modeling, animation, sound design, and character creation tools.
- Passion for gaming and a keen interest in staying up-to-date with industry trends and emerging technologies.
- Proven ability to work independently and as part of a cross-functional team.
- Excellent communication and collaboration skills.

-
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

GENERAL INFORMATION

ABOUT ALL PEOPLES CHURCH

All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
