## GAME WRITER/NARRATIVE DESIGNER

### SUMMARY

Gamification is being increasingly used in education, simulation, community building, training, etc. creating learning and development experiences that are interactive, engaging, and immersive. The possibilities for using game development (creating video games) for Christian ministry are numerous. By employing thoughtful design, engaging narratives, and relevant themes, games can become powerful tools for enriching faith, discipleship, fostering community, and sharing the message of Christ in new and exciting ways. APC is assembling a talented team of game development professionals capable of creating truly great gaming experiences to use this tool to further the purposes of God on the earth.

APC is looking for a talented and passionate Game Writer/Narrative Designer to join our game development team and contribute to the storytelling and worldbuilding aspects of our projects to create immersive gaming experiences. The team will build compelling narratives and immersive worlds using Nuclino (or similar documentation, worldbuilding, and planning tools), work with Godot (or other game engine), Blender/Maya (or other modeling & animation tools), FMOD (or other sound effects & music software), and Daz Studio (or other character creation platforms).

### VISION

To use games and gamification as a tool to enrich faith, disciple, build Christian community, and to reach people with the message of Christ in new and exciting ways.

Please review the APC Organization Chart available on OUR TEAM page ([apcwo.org/about-us/our-team](http://apcwo.org/about-us/our-team)).

### ROLE DESCRIPTION

The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- **Storytelling and Narrative Design:** Develop engaging and immersive narratives for game projects. Collaborate with the creative team to integrate narrative elements seamlessly into gameplay. Create memorable characters, dialogues, and plotlines.
  - **Worldbuilding:** Design and conceptualize unique game worlds, ensuring consistency and coherence. Develop lore, history, and cultural details to enhance the richness of the game environment.
-

- 
- **Documentation and Planning:** Maintain comprehensive design documentation for narrative elements. Collaborate with the team in planning and implementing narrative features. Contribute to project timelines and milestones.
  - **Game Engine and Framework Integration:** Work closely with the development team to integrate narrative elements into the chosen game engine (Unity, Godot, etc.). Familiarity with scripting or markup languages for implementing interactive story elements.
  - **Modeling & Animation Collaboration:** Collaborate with 3D artists using tools such as Blender, Maya, or other modeling and animation software to bring characters and scenes to life.
  - **Sound Effects & Music Coordination:** Coordinate with sound designers and composers using tools like FMOD, Adobe Audition, or other audio software to enhance the game's atmosphere and emotion.
  - **Character Creation:** Utilize tools like Daz Studio or other character creation software to design and customize in-game characters.
  - **Cross-functional Collaboration:** Work closely with game designers, artists, programmers, and other team members to ensure a cohesive and compelling player experience.
  - **Virtual reality (VR) gaming and augmented reality (AR) gaming** may be considered in the future.

## **QUALIFICATIONS/EXPERIENCE REQUIREMENTS**

- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Proven experience as a Game Writer/Narrative Designer on at least one shipped title.
- Strong understanding of interactive storytelling and player engagement.
- Proficiency in scripting or markup languages for game engine integration.
- Familiarity with game development tools such as Unity, Godot, Blender, Maya, FMOD, Adobe Audition, Daz Studio, and Nuclino or similar documentation and planning tools.
- Passion for gaming and a deep understanding of various game genres.
- Excellent interpersonal and communication skills.
- Excellent communication, collaboration, and presentation skills.
- Proven ability to work independently and as part of a cross-functional team.
- Excellent communication and collaboration skills.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

---

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

## GENERAL INFORMATION

### ABOUT ALL PEOPLES CHURCH

All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
