GOLANG (GO) DEVELOPER - WEB & MOBILE APPLICATIONS

SUMMARY
IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are looking for a talented and passionate Golang Developer to join our growing team, where you will play a key role in developing and deploying our cutting-edge web and mobile applications for Christian church, ministry, and missions to further the purposes of God on the earth, to serve people and strengthen their walk with God. You will collaborate with a talented team of engineers, designers, and data scientists to create innovative solutions using a diverse tech stack, including Dart, Flutter, Golang, and various cloud platforms.

VISION
To develop cutting-edge web and mobile applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION
The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Design, develop, and maintain backend services for web and mobile applications using Golang, focusing on scalability, performance, and reliability.
- Integrate Go services with other parts of the tech stack, including Dart/Flutter front-end and cloud platforms.
- Contribute to the design and implementation of AI/ML functionalities within the applications.
- Write clean, efficient, and maintainable code following best practices and coding standards.
- Conduct unit and integration testing to ensure code quality and stability.
- Knowledge of containerization technologies like Docker and Kubernetes.
- Experience with CI/CD pipelines and DevOps practices.

- Participate in code reviews and provide constructive feedback to team members.
- Monitor deployed applications and troubleshoot any issues that may arise.
- Stay up-to-date with the latest trends and technologies in Golang, cloud platforms, and AI/ML.
- Should be proficient in concurrency, networking, and cloud integrations with Cloud Platforms (GCP, other).

QUALIFICATIONS/EXPERIENCE REQUIREMENTS
- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Proven experience as a Golang developer, with a strong understanding of the language's concurrency features and best practices.
- Experience in building web and mobile application backend services using frameworks like Gin, Echo, or Gorilla.
- Familiarity with cloud platforms like Google Cloud Platform (GCP) or AWS for deploying and managing applications.
- Basic understanding of AI/ML principles and experience with ML libraries like TensorFlow or PyTorch (a plus).
- Excellent communication and collaboration skills, with the ability to work effectively in a team environment.
- Strong problem-solving skills and a passion for learning new technologies.
- Proven ability to work independently and as part of a cross-functional team.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

GENERAL INFORMATION

ABOUT ALL PEOPLES CHURCH
All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
