INDIA MISSIONS COORDINATOR

SUMMARY

Strategize, plan, lead and coordinate all APC's Missions work across India.

VISION

APC is a family church, an equipping center and a world outreach. Our goal is to nurture, disciple, equip and empower God's people to fulfil their God appointed purpose. APC's vision is to impact the nation and the nations. One of the ways we do this is through active involvement in a growing and expanding involvement in missions work.

SCOPE

APC's missions work currently involves planting new churches and strengthening the Body of Christ (local churches, pastors, and believers) across India through outreaches such as:

- 1) Planting Churches – new church plants with those who go out from APC Bangalore as well as those who graduate from APC Bible College and Short-Term Courses. We provide regular oversight of APC Outreach Churches to support them and help them in their growth and development.
- 2) Christians Leaders Conferences (CLCs) and Youth Conferences – Coordinate Pastors conferences, youth conferences, and other ministry events around India.
- 3) Missions trips – APC Bangalore teams sent out to serve churches across India. A large part of APC Missions work is also to mobilize the church and develop motivated teams to travel out on Missions work.
- 4) Strategic Partnerships – APC partners and works alongside with other missions organizations and ministries to help them in achieving their objectives of training and equipping people under their spiritual oversight.
- 5) Pastors and Ministers Fellowship International (PAMFI) - currently being envisaged. This will serve to provide spiritual equipping, support, guidance and timely help to pastors and Christian ministers enlisted in PAMFI.

APC follows a systematic approach in its missions work. As the work grows there will be additional responsibilities for missions work.
