- To notify of your interest to register, please write to missions@apcwo.org
- Teams will be selected from the list of applicants based on the ministry requirement & program.
- Missions calendar will be advertised well ahead of the trip to allow sufficient time to prepare for the ministry.
- Costs indicated include airfare unless indicated as train fare. If an entire team would like to travel by train instead of flight to reduce travel cost, they can do so with the permission of the Missions Coordinator.

Missions Registration

- Registrations are open to current attendees at APC. One should have been attending the services regularly for the last 3 months or more.
- Once registrations are opened, interest for a particular missions trip can be expressed by writing to missions@apcwo.org; a link for registration will be sent to them.
- Missions registrations close one month before the trip dates.
- Only those who fill the form completely will be considered as registered applicants. The final team will be selected from among the team of applicants.
- The link will require details such as contact information, availability, travel preferences, etc.
- Enquiries for registrations will not be considered as registrations.
- Once availability is confirmed by filling the details in the link, the participant is eligible for the selection process.
- APC Missions will finalize the team and confirm the same with those selected. Those who are unable to make it as part of the team will also be notified.
- Registrations received after the last date will not be considered.

- Cancellation of registration is not permitted once the selection process has been completed & participants have been selected. Only in the case of health emergencies can exceptions be made.
- Participants are requested to book their tickets on their own within a week's time of receiving confirmation of their selection. Participants are welcome to coordinate with others on the team to book tickets on the same train / flight.

Additional information for Youth Missions:

- Travel plans are organized in a way that is safe, convenient, and economical for the entire team. Depending on the comparative costs, one of the travel options—train, road or flight travel—will be planned for the entire team.
- Once registrations are confirmed by participants, the church office will book the tickets (train/ flight as per the finalized travel plan) for the entire team. We prefer that the youth missions team travels together.
- Tickets will be booked immediately after the last date for registration. Registration forms will not be available after the announced last date for registration. Kindly note, registrations will be closed immediately. Once registrations are closed, kindly apply for other available missions destinations.
- All confirmed participants are required to attend an **in-person mandatory briefing session** which will help them prepare themselves for the missions trip spiritually and for travel. This session will lay out the guidelines for all the youth regarding travel and program.
- Leaders will be assigned various responsibilities on the trip.
- Regular briefing sessions will be held on the trip to review the program and guide the participants.
- A medical kit will be available on the trip, but youth are requested to carry personal medication as required.
- Travel light.

- Participants are not permitted to extend their trip after the missions program. All participants are requested to return to Bangalore as a team right after completion of the program.

Ministry Team Selection

- The team will be selected from among those confirming availability as per the ministry needs at the location where the program will be held. If there are too many volunteers for a given area of ministry, some will be encouraged to serve on the subsequent missions programs.
- APC Missions will select the team for each program based on the requirement at the program location.
- The team is generally selected on a first come, first served basis.
- All Missions team members will be assigned roles and responsibilities for the trip.
- The team will receive a briefing to orient them on the requirements and to guide them in preparing themselves spiritually for the upcoming travel.
- Due to safety concerns missions teams are always required to have at least one male participant. In case no male participant signs up, the missions trip may be cancelled.

Ministry Team Costs & Facilities

- All volunteers are encouraged to prepare ahead and personally bear their entire travel and accommodation costs.
- If there is a certain ministry need in a location, some persons may be invited by APC Missions to join the ministry team to those locations. The travel and accommodation of those invited by APC Missions, will be borne in part or in full by the church. This will be notified to the invitees well ahead of the travel bookings.
- APC will cover costs for travel on certain trips for those invited by APC i.e., mainly special speakers, those with special skills required on the trip, certain first-time volunteers at our locations who have been serving for several years and our pastors only.
- Registration fees at the missions programs is collected from the local participants of the region and not from Team APC.
- Generally, the accommodation organized at missions locations is basic and facilities vary depending on the location. All participants are requested to come prepared to adjust to the available facilities.
- Participants must settle all due payments with church office—travel, accommodation, and any others—at least a week prior to the travel dates.

Missions Guidelines

- Our missions outreaches are intense and planned for maximum effectiveness in a short period of time. The team normally does not have any additional time for sightseeing.
- Participants are not permitted to extend their trip after the missions program. All participants are requested to return to Bangalore with the team right after completion of the program.
- Guidelines, roles, and responsibilities for each missions program will be sent to each of the team members before the trip. Team members are required to go through the same and prepare accordingly.
- All team members are encouraged to prepare in prayer. We would like the entire ministry team to be engaged in baptism of the Holy Spirit, prophetic ministry, ministering healing and deliverance. You are encouraged to attend Holy Spirit Baptism at your locations to learn more about it.
- Personal spiritual preparation is very important. Kindly take time to read through APC publications such as (1) Foundations (2) Gifts of the Holy Spirit (3) Code of Honor.
