QA TESTER - WEB & MOBILE APPLICATIONS

SUMMARY
IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are looking for a passionate and detail-oriented QA Tester to join our dynamic team developing cutting-edge web and mobile applications for Christian church, ministry, and missions to further the purposes of God on the earth, to serve people and strengthen their walk with God. You will play a critical role in ensuring the quality, performance, and functionality of our applications, including AI/ML features, across diverse platforms and devices.

VISION
To develop cutting-edge web and mobile applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION
The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Design and execute comprehensive test plans for web and mobile applications using various testing methodologies (functional, non-functional, exploratory, etc.).
- Develop and maintain manual and automated test cases using industry-standard tools and frameworks.
- Collaborate with developers and product team leaders to understand requirements, identify potential issues, and report bugs effectively.
- Participate in code reviews and provide constructive feedback to improve code quality and testability.
- Perform performance testing, accessibility testing, and security testing based on project requirements.
- Test AI/ML features, focusing on data quality, model accuracy, and bias detection.

- Stay up-to-date with the latest QA methodologies and tools, including advancements in AI/ML testing.
- Maintain clear and concise test documentation.
- Work effectively within a cross-functional team environment, communicating clearly and collaborating with various stakeholders.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS
- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Bachelor's degree in Computer Science, Software Engineering, or a related field or equivalent work experience.
- Minimum 2+ years of experience in QA testing for web and/or mobile applications.
- Strong understanding of software development lifecycle (SDLC) and Agile methodologies.
- Proficiency in writing and executing test cases, including automated tests using relevant tools and frameworks.
- Experience with testing AI/ML features (a plus).
- Familiarity with Dart, Flutter, Golang, and Cloud Platforms (GCP preferred) is a strong advantage.
- Attention to detail, analytical mind, and a passion for quality.
- Strong problem-solving skills and a passion for learning new technologies.
- Proven ability to work independently and as part of a cross-functional team and manage multiple tasks effectively.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

GENERAL INFORMATION

ABOUT ALL PEOPLES CHURCH
All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
