UI/UX DESIGNER - WEB & MOBILE APPLICATIONS

SUMMARY

IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are seeking a talented and passionate UI/UX Designer to join our dynamic product development team developing next-generation web and mobile applications for Christian church, ministry, and missions to further the purposes of God on the earth, to serve people and strengthen their walk with God. You will play a pivotal role in creating intuitive, user-centric interfaces for our web and mobile applications, built with Flutter and Golang and deployed on cloud platforms (GCP, other). You will have the exciting opportunity to design UI for groundbreaking AI/ML applications, pushing the boundaries of user experience and interaction.

VISION

To develop cutting-edge web and mobile applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION

The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Collaborate closely with product team leaders, developers, and engineers to understand user needs, product vision, and technical feasibility.
- Design user-centered interfaces for web and mobile applications, with a focus on user experience, usability, and aesthetics.
- Master the design of cross-platform applications using Flutter, ensuring consistency and responsiveness across various devices and platforms.
- Craft engaging and intuitive UI for cutting-edge AI/ML applications, emphasizing clear data visualization and user interaction.

- Develop high-fidelity mockups, prototypes, and user flows for mobile and web applications interface to communicate design ideas effectively.
- Conduct user research and testing to iterate on designs and ensure optimal user experience.
- Stay up-to-date with the latest UI/UX trends and technologies, particularly in the realms of Flutter, Golang, and cloud development.
- Effectively communicate design decisions and rationale to team members.
- Maintain a consistent and cohesive design language across all software applications.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS
- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Bachelor's degree in Design, Human-Computer Interaction, or a related field or equivalent work experience.
- 3+ years of experience as a UI/UX Designer, with a strong portfolio showcasing web and mobile application design work.
- Proven experience with user research, prototyping, and testing methodologies.
- Excellent understanding of UI/UX design principles and best practices.
- Proficiency in design tools like Figma, Sketch, Adobe XD, or equivalent.
- A strong grasp of user-centered design, interaction design, and visual design.
- Experience with Flutter and Golang (a plus but not mandatory).
- Understanding of cloud platforms (GCP or other) preferred.
- Passion for technology and innovation, with a keen interest in AI/ML applications.
- Excellent written and verbal communication skills, with the ability to effectively present technical information to both technical and non-technical audiences.
- Proven ability to work independently and as part of a cross-functional team.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

GENERAL INFORMATION

ABOUT ALL PEOPLES CHURCH

All Peoples Church is a Jesus loving, Word focused, Spirit-filled, family church, an equipping center, a missions base, and a world outreach.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
