**Prayer Series (Part-7)**  
**Praying Prophecy into Fulfillment**

Different kinds of prophetic words.

- prophecy that brings edification, exhortation and comfort (1 Corinthians 14:3)
- Prophetic word that brings revelation, direction and correction (e.g. Peter John 1:42).

1 Thessalonians 5:19-21

Most prophecy is conditional.

All personal prophecy is conditional whether conditions are stated or not.

Proper Response to a prophetic word

1. Believe the prophetic word Isaiah 44:26 2 Chronicles 20:20 (e.g. Mary Luke 1:38)
2. Obey the prophetic word
3. Use the prophetic word in spiritual warfare 1 Timothy 1:18
4. Recognize and continue till God's "due time" for the fulfillment of the prophetic word
5. Pray for a fulfillment of the prophetic word
6. Go through the necessary preparation process for the fulfillment of the prophetic word
7. The areas that were not addressed are as important as the areas that were addressed in the prophetic word 1 Corinthians 13:9

Two prophets of God have spoken to us about the calling, the mandate and the purpose of God for us at APC.

Dr. Jonathan David, June 11, 2006

Dr. Amos Jayarathnam, March 24, 25 2007

2 Corinthians 13:1

Common elements in both prophetic messages for APC:

**1. Spiritual impact on the city**

JD

Becoming a voice to this city. Having stature in this city

AJ

The Lord says I'm taking you to a new place, a new place of spiritual authority. I'm giving this city into your hands.

And this church name will be a word that will be so common to the household. That even the unbelievers will be talking about it.

The year 2007 is a year of breakthrough. A year of migration to apostolic authority over the city. That my people will be equipped, that my people will be transformed. That my people will be renewed. That my people will know their inheritance that I've given to them in this city and in this nation and they will begin to operate in the place of authority and power.

## **2. Acceleration in growth, acceleration in the pace of things**

JD

Quickening anointing, what has taken 10 years to build in the past is going to take 2 years and 5 years. God is going to cut short the time in righteousness

In the next 2-3 years growth is coming in a great way.

AJ

The next 3 years is going to be 30 years put together. The next 3 years is going to be compressed into 30 years of breakthroughs put together.

## **3. Prophetic and the supernatural**

JD

Becoming a prophetic voice in the city and we will gather together a new generation of those who want to hear the voice of the living God.

God will give you faith for the miraculous and courage to believe God for the supernatural

AJ

This church is going to be known as a church that is prophetic in nature and prophets will rise up. This church is going to be known as a church that flows with signs and wonders and it's really the supernatural power that is sweeping through. Hallelujah. Unbelievers will like to come and just watch other church believers and even other pastors and church leaders will like to come and see the phenomena that's taking place.

A new breed of people shall rise in this place with humility but with only one destiny, to advance the kingdom of God. With violence in the spirit. Battling in the spirit. I see God raising prayer warriors in this place. Prayer warriors. God is raising prayer warriors.

Every worship service somebody is getting healed, somebody is getting touched by God. Sovereign move of God. I'm just speaking what I'm seeing in the Spirit. Get ready, church.

## **4. APC a Training base**

JD

God will cause the church to become a training base for men and women that will minister across India and even into China, Mongolia and Middle-east...In the next 2-3 years God is going to bring about a Training School that is going to begin to equip men and women. There will be a training school for workers, training school for missionaries, men and women that will be empowered and equipped to finish the work of the Lord in the nations of the world and bring in a harvest and glory for God's Kingdom.

AJ

I look at it as an international harvest center. Equipping center, prophetic center. A sending out base.

## **5. Own place for APC Central church**

JD

In the next 2-3 years you will not just move from one place to another renting, you will have a place of your own and you will come to a place of rest. In the next 2-3 years God will open up the opportunity for you so that you will have a place called your own.

AJ

I see a big building. I see a very big building. One of the biggest buildings in Bangalore. It's not to show that we have a big building but it's just to say that we need that kind of a capacity to train people, to equip people. And therefore, even as you start off receiving offerings for that place, people will give, just like in the day of Moses. They will give all their gold, they will give all until they have to say stop it, it's too much. Too much. Stop and it will be debt free. Fear not, says the Lord

**6. APC – A prototype church**

the greater responsibility to raise this church to be a prototype church. The kind of end time church that God is raising

**7. Voice to be heard on Radio and Television**

Prophecies such as these are a revelation of what God intends to do. However, conditions apply!

What will it take to see these things happen?

Proper Response to a prophetic word

1. Believe the prophetic word Isaiah 44:26 2 Chronicles 20:20 (e.g. Mary Luke 1:38)
2. Obey the prophetic word
3. Use the prophetic word in spiritual warfare 1 Timothy 1:18
4. Recognize and continue till God's "due time" for the fulfillment of the prophetic word
5. Pray for a fulfillment of the prophetic word
6. Go through the necessary preparation process for the fulfillment of the prophetic word
7. The areas that were not addressed are as important as the areas that were addressed in the prophetic word 1 Corinthians 13:9

Today: Praying Prophecy into Fulfillment

1. The Example of Daniel

Daniel 9:1-24

*in the first year of Darius the Mede, who was newly made king of the Chaldeans, Babylon being conquered by him and his nephew, or grandson, Cyrus. In this year the seventy years of the Jews' captivity ended, but the decree for their release was not yet issued out;*

Jeremiah 25:12, 29:10

Nebuchadnezzar carried many of the Jews into captivity in the first year of his reign (the fourth of Jehoiakim). He reigned forty - five years, his son Evil - merodach twenty - three, and his grandson Belshazzar, three years, which make up the seventy years foretold by Jeremiah.

Ezra 1:1-4 (538 B.C.)

It was in his first year, not the first of his reign over Persia, the kingdom he was born to, but the first of his reign over Babylon

2. The example of Elijah

1 Kings 18:1, 42-45

Pray for a fulfillment of the prophetic word spoken over our lives as a church and over your life as an individual.

Do not elevate prophetic words above the written Scriptures.  
God's written word must be the alpha and omega in our lives.  
God's written word must be the standard that we live by.
