**Marketplace Mandate (Part - 3)**  
**God's Anointing for You in the Marketplace**

By anointing we mean the supernatural empowering of the Holy Spirit released in and through us.

***Some truths concerning the anointing of God***

- ✓ There is an anointing for every God ordained activity. Work was instituted by God and hence is a God-ordained activity. There is an anointing for every believer in the marketplace.
- ✓ The anointing of God is not just for "spiritual" activity – but for every activity that God has ordained.
- ✓ The anointing of God does not manifest only in "spiritual atmosphere" but where ever some has faith and is pursuing a God appointed purpose.
- ✓ The anointing of God manifests more often during the normal course of activity, rather than in a supposedly "spiritual stance" that we maintain.

The operation and manifestation of the anointing of God can look very normal, very natural, very "professional" – and it does not have to look, feel and sound "spooky spiritual".

It is our spirit that receives from the Spirit of God. So what is important is not that you position your flesh to hear, but position your heart to hear from God. Sometimes we strive in the flesh to hear from God, and we do not hear anything. It is when we are quieted in our spirits, that we hear what He is saying in the inner man. The cutting out of the distractions of the world and the flesh helps, but truly, it is not how quiet the world around you is that determines your ability to hear, rather, how quiet you are in the inner man, how "tuned in", you are in the inner man – that will determine if you are able to receive what the Spirit is saying.

- ✓ The true test of God's anointing is in the enduring fruit it produces through life transformation and the establishing of God's Kingdom in the hearts and lives of people.

The true test of God's anointing is not in what you feel, but in the fruit borne in your life. It is not if you "felt" good, but whether you've "become" good. It is true when the anointing is present, you can feel the anointing or become aware of His presence in a tangible way. However,
