The Triumph of the Cross

Hebrews 9:22 - Without the shedding of blood there is no forgiveness.

Paul writes in Galatians 6:14 - But may it never be that i should boast, except in the cross of our Lord Jesus Christ.

Because of the triumph of the cross i am saved, by the blood of Jesus Christ.

Because of the triumph of the cross demons tremble in terror, when you pray.

Revelation 12:11 - They overcame him (i.e. satan) by the blood of the Lamb.

Satan does not fear you, but he fears the blood of Jesus Christ.

Every demon is terrified by the blood of the cross and the witness of your testimony.

It is the blood that gives life and power to our preaching.

It is the blood that gives life and power to our praying.

It is the blood that gives life and power to our proclamations.

No one on earth knows the awesome power of the blood of our Lord Jesus Christ.

When you whisper the name of Jesus and speak of the shed blood of Jesus on the cross, you have awesome earth shaking power.

We are not saved by church membership.

We are not saved by baptism, or good works, or religion, or ritual.

We are saved only by the blood of Jesus Christ the only begotten of the Father and there is no redemption other than that.

The crucifixion was a day of victory. It was a day of liberation. It was a day of celebration.

Because we were slaves to sin and satan.

Today we are free. Free from the fear of tomorrow.

Free from the guilt of the past.

Free from sickness and disease.

Free from poverty and lack.

Free from loneliness and despair.

Free from rejection and resentment.

Whom the Son shall set free is free indeed.

What happens to the person who is not covered by the shed blood?

John 3:36 says He that believes on the Son, has eternal life. He that obeys not the Son does not see life, but the wrath of God abides on him.

The greatest question in your life is not how you are doing here and now?

The greatest question in your life is: Do i know Jesus Christ and is the mantle of his blood on my soul?

Read Hebrews 9:22 again.

Without the shedding of blood there is no forgiveness of sins.

Lev 17:11- The life of the flesh is in the blood.

Physically our bones, muscles and tendons are stationary.

The only moving part in our anatomy is our blood.

It circulates through our body every 23 seconds, carrying oxygen and nutrients and the cleansing of our body.

The moment your blood stops moving you are dead.

Totally and instantly you are dead.

A bloodless theology is a dead theology.

Just positive thinking does not bring power. Good thoughts are wonderful. But good thoughts only do not make one a good person.

Only the shed blood of Jesus Christ has power.

Without the shedding of blood there is no remission of sins.

The life is in the blood of Christ.

If you do not have redemption through the blood, you have nothing to offer to humanity.

When we partake of the communion, we are reminded of the words of Jesus, "This is the new covenant in My blood."

Adams blood was poisoned with sin. He ate the forbidden fruit. The fact is this deadly virus is passed on from Adam to every person born on the earth.

Romans 5:12 - Through one man sin entered into the world, and death through sin, and so death spread to all men, because all sinned.

Jesus Christ went to the cross so that His pure blood, the blood of God Himself would cleanse your blood of this deadly virus.

The Bible says in Hebrews 9:22- without the shedding of blood there is no remission of sins.

If you have not been to the cross for redemption through the shed blood of Jesus Christ, that deadly virus is in your body right now.

Read Jn 3:36 again.

The only solution is the shed blood of Jesus on the cross. When we lift the communion cup to our lips, we symbolically take the life changing blood of Christ into our being and body that drives out the virus of sin and its affects in our life.

I Cor. 10:16 - Is not the cup of blessing which we bless a sharing in the blood of Christ?

When you partake of the communion, satan sobs and says I've lost him/her.

Once you are covered in the blood of Jesus Christ, satan cannot touch you.

Diseases are conquered. The fact is, you have diseases in your blood stream most of the time.

The communion taken worthily sends sickness and disease running for cover.

The communion taken worthily makes you a conqueror.

Thank you Lord for the power of the blood that touches me physically and emotionally, redeeming me.

Blood speaks to God.

Hebrews 12:24 - and to Jesus, the mediator a new covenant, and to the sprinkled blood, which speaks better than the blood of Abel.

When Cain killed his brother Abel, the Lord says "The Blood of your brother cries out to Me."

Blood makes an audible sound in the ears of God.

What did Abel's blood say to God? "Cain my brother is guilty."

Guilty of shedding innocent blood.

Blood demands our unity.

Blood circulates through our body, every 23 seconds.

Every 23 seconds the blood carries a complete loop of every member of our body.

Church of Jesus Christ is one body. His blood connects us all.

Jesus Christ prayed this prayer, "Father, Let them be One, just as we are One."

Denominations divide, the blood unifies.

Without the shedding of blood there is no remission of sins.

Hebrews 11:4 - By faith Abel offered to God a better sacrifice than Cain, through which he obtained the testimony that he was righteous. The sacrifice was a lamb. It was pleasing to God, as it pictured the Lamb of God, Jesus Christ, the innocent one died for the guilty on the cross.

The Cross of Christ, the shed blood of the Lamb will enable you to overcome any crisis in your life.
