**Supernatural Sunday : Miracle Working God**

**Email Received Friday Dec 27, 2019 (WoL 2019 Testimony)**

*Hello Pastor,*

*As I ponder over A Tumultuous year this 2019, I look at with gladness that Gods word came true in an important area of my life.*

*As you know my interests in partnering and starting missioneering setups across India. This year I prayed for new states/areas and God miraculously led me to meet people and enabled me to Visit the place. what I saw moved my heart and got me to act on the reality of the nation.*

*Bihar, and Bundelkhand region of UP and Bastar region of Chatisgarh were the 3 states God showed me. Each of these visits were bold decisions that God wanted me to take and over a 60 pastors/evangelists are partnered in reaching out Gods word as a result. Medical mission and infrastructure in a difficult to reach place in Bihar was also accomplished!*

*Never knew all of this will happen in one year, God led me to Advance boldly!*

.....

**Today**

The message today is a simple reminder that our God is still the same. The God of the Bible, the God during Bible times is still the God of today.

We remind ourselves of the miracles He did. Our present times and situations may be different from the people in the Bible, but God still works similar miracles. Today we can expect God to work miracles.

Our God does not change. He is still the same unchanging Jesus.

Malachi 3:6

For I am the LORD, I do not change;

Hebrews 13:8

Jesus Christ is the same yesterday, today, and forever.

*(We quickly narrate the stories of these miracles recorded in the Bible. Please feel free to share other/additional stories)*

I've been coming to APC West from November 2016. I'm a dentist and I have my clinic at Malleshwaram. On the last week of November I sowed a seed in the offering, praying to God for either a single billing of 50k or a total turnover of 60k that week. (...*She then shares how that same week, a customer came and had dental work done for 50K, we won't go into the details...*)...I received the exact 50k that I prayed for and I also got a turnover of more than 60 k that week. There's been many other financial miracles I have and keep experiencing at the clinic all bang on time!! When I tell my husband he says it's all a miracle cos there's no way it can be coincidence. God's been increasing the faith inside the both of us and working wonders. He's a good, good Father. Praise God and Amen.

### **Healing Miracles And Deliverance Miracles**

Our God heals us from all diseases whatever the cause.

He delivers us from all demonic work.

During His earthly ministry the Lord Jesus healed and delivered multitudes of people from all kinds of sicknesses, diseases, torments and oppression.

He still does the same today.

During one of the healing prayer sessions in the bible college, one of the students approached my wife and said that your husband has skin condition on his right hand and he is healed. My wife came home and told me, which I didn't fully believe. Yes, there is skin disease on my right hand and it is there for the past 10+ years, and I have visited doctors who all gave a same ointment, which i will apply, it will reduce and then come back again after a while, so I was a bit sceptical and I'm not a kind to simply believe in things like this. But slowly some kind of a desire came upon me to start praying for it, so whenever that part of hand itches, instead of scratching it I will put a finger on it and

prayer for it and rebuke it in the name of Jesus. This went on for a while, nothing happened and after sometime I completely forgot about this. Recently I realized that the part of the hand is completely healed and there is absolute normal skin. I waited for a while to write this testimony to see that normal skin remains and it does, I'm still in amazement and surprised, it is a disease of 10+ years and certainly that ointment is not the cause.

I thank God for this healing and the increase of faith this has brought to me.

Yes our God is a true healer and miracle worker.

I understood that I have to take steps to claim the promises of God in my life.

On Nov last Sunday (24th), we prayed for healing and deliverance. As per my job nature, I have to travel for project meeting. I was always tired and exhausted. My weekend routine is to sleep and eat. But that Sunday, after the church, I went home, I felt so energetic, my extraordinary tiredness is gone. I didn't go to bed till night. Nowadays, I can see the difference that I am energetic and singing songs. Even I have a lot of work to do, I am able to relax and concentrate much better. Previously, I miss my prayer time and personal time. Thanks to Lord, I am able to spend more time nowadays. God has healed me such a way that I cannot explain. As promised, Almighty has given new grounds. Once again, Thank you Christ Jesus.

### **Unusual Miracles**

Water out of a rock

Ax head to float

People were healed by Peter's shadow (Acts 5)

Handkerchiefs taken from Paul brought healing and deliverance (Acts 19)

God will do as He pleases.

Nothing is impossible with God.

### **Testimony Received via Email Saturday Nov 30, 2019**

*A young lady who came from a non-Christian family. When she decided to follow Christ and decided to get married to a believer she has been away from home and her mother had not been speaking 'properly' to her since that time. "Last Sunday when we prayed for healing, I kept praying for my parents' salvation and healing of our relationships. On 27th November, I called up my mother to wish her for her birthday and she spoke to me for 17 minutes after 4 yrs. As Ps.147.3 says, He heals the brokenhearted and bandages their wounds. Our God is truly a way maker and works in hearts of people even when we don't see anything happening evidently around us. Thank you church for the supernatural Sundays, it's definitely gearing us all to be witnesses of greater things for God's glory."*
