India's 27.8 percent urban population lives in more than 5,100 towns and over 380 urban agglomerations.

The number of Indians living in urban areas has grown by 31.2% between 1991 and 2001

There are 53 urban agglomerations in India with a population of 1 million or more as of 2011. About 43 percent of the urban population of India lives in these cities.

#### *3, Minister in the marketplace*

**Mark 6:56** Wherever He entered, into villages, cities, or the country, they laid the sick in the marketplaces, and begged Him that they might just touch the hem of His garment. And as many as touched Him were made well.  
who happened to be there.

#### *3, Minister in the marketplace*

**Acts 17:16** Now while Paul waited for them at Athens, his spirit was provoked within him when he saw that the city was given over to idols.

**Acts 17:17** Therefore he reasoned in the synagogue with the Jews and with the Gentile worshipers, and in the marketplace daily with those who happened to be there.

#### *7, City Transformation Teams (Urban Church Planting Movement)*

A strategic extension of point 6 above

I would like to see APC develop “City Transformation Teams” – which eventually will become an intentional, urban church planting movement that affects cities across India.

### Reaching Indian Cities and the Indian Marketplace

#### *7, City Transformation Teams (Urban Church Planting Movement)*

We need teams of people who will strategically come together, pray, plan, relocate, plant and pastor a church in one of the many cities across India.
